### The C. H. GOSS GARAGE

HOW THE BANK HELPS YOU, No. 9.

### Benefits Everybody

A Bank helps the whole community in which it is located—helps even those who do not patronize it. It takes the money of those who have no immediate use for it and loans it to those who have. Hoarded money is no use to anyone, but every dollar that finds its way to a bank becomes an active dollar, helping to extend commerce—to build houses—to buy farms—to operate mills and factories—to make work more plentiful—to better the condition of employer and employee.

Civic pride, if nothing else, should lead every man who has an income—even a small one—to open an account.

This Bank cordially invites you to open an account with it. Your business will be appreciated and every proper accommodation extended.
